

Our School News!

Friday 23rd April 2021

Welcome back

I hope you all enjoyed some of the lovely sunshine we had during the Easter break to get outdoors and also take advantage of the new lockdown rules and catch up with a small number of friends and family.

What a wonderful week we have had with our whole school family back with us in the sunny weather this week. The children have been fully engaged in their learning, happy on the field and glad to see their teachers and friends again.

We have welcomed Miss Addison to our school family and Year 6 have made a super start to this term's learning already with their new teacher. Mr Bunn has also joined us as our new National Tutoring Programme tutor.

Teachers have lots of exciting learning planned and we look forward to updating you about our plans for the term in the following weeks.

New admissions

Lincolnshire County Council have now offered places for Reception children who are due to start school in September 2021.

We will be contacting parents of those children who will be joining us with further information and admission packs in the next few weeks.

Miss Mottram is making plans to ensure the children have a smooth transition into school and is looking forward to meeting everyone in the near future.

Water bottles and Sun hats

Please ensure you send your child into school with 2 full water bottles for them to remain hydrated throughout the school day with secure lids to avoid spills.

We would encourage you not to send in flavoured water or juice following Government guidance as the sugar content can damage their teeth.

We would also appreciate you sending your child into school with a hat or cap to protect them from the sun and sun cream already on their skin to protect them during the times when they are outside playing or eating their lunches. We will review this alongside our Covid Risk Assessment once the weather is hotter for a sustained length of time.

School Transport

"If your child is starting primary or secondary school in September 2021 they may be eligible for school transport.

If you think your child is eligible please apply for transport as soon as you have your offer of a school place.

Applications can be made online or a telephone application can be made by contacting the Customer Service Centre on 01522 782020." Queries can be emailed to:

Swimming

KS2 children really enjoyed their return to swimming lessons at Jubilee Park in Woodhall Spa this week. Thank you to everyone who left a space for the coach to park, to help with the safe pick up and drop off of our children. Thank you also for the donations towards swimming lessons. If you have yet to send them in, or pay online using School Money this can be done at any point in the term.
