Remote Learning

If you have a child who has to self-isolate, teachers will send you their learning on Tapestry. Your child will either have their school books brought to your home or they will use the exercise book that came home earlier in the term. Learning will be added at the end of each day by your child's teacher, for your child to complete the following day. It is important that children are supported to do their learning at home so that they continue to make progress. Please remember to upload photos of your child's learning onto Tapestry so teachers can review the work and give feedback. If you have not activated your account then please do so immediately. If you have not received a notification to activate your account please contact the school office. We believe we have added everyone's contact email to Tapestry but we still have some accounts awaiting activation.

School Photographer

Reminder that Wrates, the photographers will be in school this Friday, 20th November. All children will have their individual photographs taken, and a family photograph if they have a sibling in school. Unfortunately this year, we will be unable to offer families the opportunity to bring pre-school children into school for family photographs. We apologise for this; however, keeping our school family safe is our number one priority in these uncertain times.

Uniform

All our school uniform is available to order from MAPAC. They not only sell jackets, jumpers, cardigans and bags embroidered with our school logo but you can also buy trousers, skirts, summer dresses, shirts and even socks. All at very reasonable prices. Visit www.mapac.com

Children In Need

The children enjoyed taking part in the Act your Age Challenge for Children in Need and completed lots of laps of the circuit on the playground. We are very pleased to say we raised **£165!** **Thank you to everyone for donating to this great cause. It was a lovely day and great to see all the children getting involved. Have a look on our Twitter page for a few photos as well as our school website.**

Virtual Tour

Have you seen our virtual tour on our school website? As we are not able to hold our normal welcome morning for prospective families and their children, Mr Frost has expertly produced our virtual tour. If you know any families who are interested in applying for a Reception school place for their child for September 2021 please point them in the direction of www.tattershallprimary.lincs.sch.uk

The Book Fair

The Book Fair will be at school from **Tuesday 17th November** for two weeks. With the additional safety measures in place things will have to be slightly different this year; however, we still have lots of lovely books available to purchase. You will have received an email with a list of books available to buy and all the information you need to know about how to buy them. Your child will also have brought home an order form to fill out and return to school should you wish to purchase any books.

Remembrance

The whole school joined together to take part in the minute's silence on November 11th. The children were respectful, the Last Post was played in KS1 and the children also shared some learning about this special day. Many thanks to those of you who supported the British Legion Poppy Appeal.

School Meals

Just a reminder that all pupils in Reception, Year 1 and Year 2 can receive a FREE school meal every day! Due to Covid restrictions and safety measures in school at the moment we are sorry we can only offer a packed lunch option. This will be reviewed after Christmas. Remember the deadline for ordering lunches each week is **Tuesday at 3pm.**

Your child may be eligible for free school meals beyond KS1, You can find out if your child is eligible by completing a simple check. (Please note this is separate to Universal Free School meals that all KS1 children are entitled to because of their age). To apply for free school meals for your child simply go onto the following link online: www.lincolnshire.gov.uk/schools-and-education/free-school-meals/ or if you need any further guidance contact us at the school enquiries@tattershallprimary.lincs.sch.uk or contact Lincolnshire County Council Free School Meals Team on 01522 782030.

Christmas Isn't Cancelled

To support our local community and to give our children an opportunity to perform to a wider audience we are taking part in the Love Tattershall project. Thank you to everyone who has returned their media consent forms. We will be updating you very soon on our other plans for Christmas.

Thank You!

'Thank you all for your continued support'
