Sustainability and Impact

- The school will continue to embed a culture of participation in extracurricular activities.
- Staff have experienced and taught a plethora of sports and skills through the buy-in services of JB's Sports Coaching and Carre's Grammar Outreach.
- Staff have been upskilled on skills based approaches to teaching PE, rather than focussing on a specific sport.

Targets for 2016/17

- To engage more staff in extra-curricular and inter-school sport
- To achieve 'Outstanding' PE for all staff through coach mentoring and sharing good practice across the partnership
- To increase percentage of Pupil Premium children participating in extra-curricular clubs
- To achieve the Gold School Games mark by ensuring each child receives two hours of PE in their weekly curriculum and introducing the opportunities for children to learn to lead in sport.
