Swimming update

Our Key Stage 2 children have been making progress with their swimming and water safety skills this term. Swimming is an important skill for our children to learn and we manage our budget carefully to support us taking our KS2 children for lessons at Jubilee Park and subsidising the transport.

I would like to just give a reminder that any donations are appreciated towards the cost of these lessons. We have 8 more weeks of lessons and we really do want to give every child the opportunity to confidently swim 25 metres by the time they leave primary school.
