End of Term

Thank you to all our wonderful children, staff and parents for another amazing Term.
Also to our PTA for all their hard work.

We look forward to seeing everyone back in school on **Monday 1st June**.

Our last Summer Term is always a busy one with lots of extra events and trips to look forward to.

Please check the Diary dates in this newsletter regularly and also the school website for up and coming activities, trips and important dates in school.

We also send regular updates via the Arbor App and email.

Reception Places 2026

We have invited parents of children who will be joining us in September to a 'Welcome' meeting on
Thursday 11th June at 5pm.

If your child is starting in September please let us know if you are not able to attend this meeting.

This is a really exciting time of year for new parents and children to our school and I am sure that you will all join me in welcoming them to our school family.

Reminder: Swimming update

Our children have been making great progress with their swimming and water safety skills this term. We appreciate with the cost of living crisis families have a tighter budget, however lack of donations could have an impact on our ability to offer swimming to all our children.

I would like to just give a reminder that any donations are appreciated towards the cost of these lessons.

We have another 7 weeks of lessons after half term and we really do want to give every child the opportunity to confidently swim 25 metres by the time they leave primary school.
