A message from the Headteacher...

As another wonderful school year comes to a close, I would like to take the opportunity to thank our entire school community for making it such a successful and memorable year.

First and foremost, I want to say how incredibly proud I am of our children. Every single child has achieved something to celebrate this year. Whether that has been making excellent academic progress, developing confidence, overcoming personal challenges, showing resilience or demonstrating kindness towards others, they have all contributed to making Tattershall Primary School a very special place to be.

One of the things that fills me with the greatest pride is the way our children conduct themselves every day. Whether they are in classrooms, representing the school at sporting competitions, performing in concerts, visiting places of interest or welcoming visitors into school, they are consistently polite, respectful and thoughtful. We regularly receive compliments from visitors, educational providers and members of the wider community about our children's exemplary behaviour, impeccable manners and positive attitudes. Equally, visitors often comment on the calm, purposeful and welcoming atmosphere throughout our school. These comments mean a great deal to us because they reflect the values we strive to instil in our children every day.

This year has once again been packed with opportunities that extend far beyond the classroom. From educational visits to sporting competitions, performances, clubs, community events and themed learning days, our children have embraced every opportunity with enthusiasm and curiosity. We remain incredibly proud of our continued partnership with the Lincolnshire Music Service, which enables so many children to experience high-quality music tuition and performance opportunities. Watching our children perform with such confidence and enjoyment has been a real highlight of the year.

None of this would be possible without the support of our wonderful families, who encourage children to take part in these opportunities and support the many events we hold throughout the year. Thank you also to our fantastic PTA, whose commitment and hard work continue to provide memorable experiences and valuable resources for our school.

I would also like to express my sincere thanks to our dedicated Governing Board. Our governors generously give their time and expertise to support, challenge and champion the school, always with the best interests of our children at heart. Their commitment to ensuring that Tattershall Primary School continues to thrive is greatly appreciated, and we are fortunate to have such a supportive team working alongside us.

Finally, I would like to recognise our exceptional staff team. Every member of staff works tirelessly to ensure that our children are safe, happy and able to achieve their very best. Their professionalism, compassion and unwavering commitment to every child are truly inspiring, and I feel incredibly privileged to work alongside such a dedicated team. They continually go above and beyond, and our children benefit enormously from the care, expertise and enthusiasm they bring each day.

To our Year 6 children, we send our heartfelt congratulations as they prepare to move on to secondary school. It has been a privilege to watch you grow into thoughtful, capable and resilient young people. We are immensely proud of all you have achieved during your time at Tattershall Primary School and know you will continue to flourish as you begin the next exciting chapter of your education.

Finally, thank you to every parent and carer for your continued support throughout the year. The strong partnership between home and school makes such a positive difference to the children's lives, and we are grateful for the trust you place in us each day.

On behalf of everyone at Tattershall Primary School, I wish you a happy, restful and safe summer break. We look forward to welcoming many of you back in September for another exciting year of learning and opportunity.

With warmest wishes,

Miss Lyndsey Wood
