

Tattershall Bulletin

15th September 2023

Welcome to our weekly bulletin where we will share dates, reminders, requests and most importantly, our Celebration Assembly awards.

Dear families....

A very warm welcome to everyone as we begin the new academic year. It has been a real pleasure getting to know your children and I am so proud to be the Headteacher of this lovely school.

This year, we will send out this bulletin each week which will enable us to ensure families are kept as informed as possible of school events and expectations. We will also share the names (first only) and reasons for the children who have been awarded a certificate in our weekly Celebration Assembly as well as those who have had birthdays this week. In addition to the weekly bulletin I will send a Newsletter each term which has more detail about the learning which has been happening in school over that term. I hope you find the bulletin useful!

Lyndsey Wood—Headteacher

Whole School Attendance this term to date is...98%
Our target is....at least 97%

PE Days: Autumn Term

Please ensure your child arrives in school in their PE kit on the following days.

| | |
|-----------|--------------------|
| Monday | Classes 1, 5 and 6 |
| Tuesday | Classes 1, 2 and 4 |
| Wednesday | Classes 4, and 6 |
| Thursday | Classes 3 and 5 |

Water Bottles

A reminder please that bottles brought into school must contain water only (unless you have a medical reason verified by a Doctor).

Polite reminder:

Please ensure paths aren't blocked when waiting for gates to open.
Thank you!

Illness

We want every child to be in school every day. However, we understand that children become unwell. Please be assured that if your child comes to school and is too unwell to manage the day we will always call you.

There are some instances where children have to stay at home during / following an illness for a minimum amount of time, as advised by Public Health England. For example, if your child has sickness and diarrhoea they must remain home until 48 hours have passed from their last episode. The guidance schools follow can be found here:

[Public Health Guidance for Schools](#)
