Lateness

Unfortunately we have noticed a steady increase in children arriving late to school. We understand that on occasions the unforeseen happens, however, when this is a regular occurrence there is a significant impact on your child. For example, they will be missing their daily Phonics or spelling session, which could seriously impact on their reading and writing achievement. In addition, it can sometimes be difficult for children walking into their class when they are already in full flow of a lesson. Please can we ask that you endeavour to ensure your child is in school on time every day for their benefit. Thank you.

Second hand uniform

Just a reminder that we always welcome donations of good quality used uniform that we can offer to other families who require a helping hand. Any donations are welcomed and can be handed in at the school office.

If you are a parent who would welcome some support with uniform please pop into the office in confidence to have a look through our second hand

School photos

Wrates' the photographers will be in school on Thursday 19th October. All children will have individual photographs taken and if they have a sibling in school a family shot will also be taken.

If you would like a photo taken with a pre-school child please contact the school office to let us know if you wish to have a family photo first thing in the morning. It is essential that you let us know that you are coming so we can manage our numbers of people in the hall.

We would love to see everyone smart in their uniform with their ties.

Keeping in touch

If you change any of your contact details please remember to let the school office know. This is vital should we need to contact you in an emergency. Please make sure you are receiving our emails - we regularly send out information and news via email so if we don't have your correct email address you may miss something important!

We also request that parents contact the school office no later than 9.30am if your child is not in school so that we know they are safe and the attendance registers are completed on time. The office staff will ring you if we have not had a message so that we know the reason for your child's absence.

Harvest Assembly

We will be holding our Harvest Assembly on Wednesday 18th October, to which you are all invited in the hall at 9:00am. Any pre-school children are very welcome but please keep them with you at all times. We have chosen to collect provisions for the Destiny Outreach Coningsby Food Bank - a charity that supports people in the Tattershall area too.

If you are able bring in a food donation for our harvest assembly (please see the list of food items most needed on the letter emailed this week) we would be very grateful if you could send them into school with your child by Monday 16th October.
