STAFFING UPDATE – CLASS 4 and 5

Dear Families

I am writing to inform you of the teachers who will be teaching Classes 4 and 5 from January onwards.

I am very pleased to be able to let you know that we have Miss Stephanie Morley joining us for Class 4 and Mrs Stacey Gibbons joining us for Class 5. Both Miss Morley and Mrs Gibbons are wonderful new additions to the Tattershall Team and they are very excited to be joining us. They will both be in on Monday and will be spending some time in class to begin to get to know the children. They will be sending out an introduction of themselves next week so that you and your children can begin to get to know them too. There will be further dates this term that they will be in school so that they can build relationships with your children and ensure they have all the information they need to 'hit the ground running' from January.

I am sure you will join me in ensuring they both receive a warm Tattershall welcome.

Kind regards

Lyndsey Wood

Headteacher
