Showcase Events in School

There will be three showcase events that occur during our academic year.

The next event is in the Spring Term.

These events will gift you the opportunity to gain insight into the curriculum covered, the skills developed, and the progress made by your child. Alongside this, in the final summer term, we will also be hosting an end-of-year **class assembly**. The assembly will provide an opportunity for children to demonstrate their learning, talents, and growth whilst basking in the pride of showcasing their hard work and dedication.

We kindly request that you mark your calendars for the designated dates of the Showcase Events. We understand that schedules can be tight, but your involvement in these events will profoundly impact and enhance your child's educational journey (please see diary dates above for spring dates).

Colder Weather

Even though the weather is now decidedly colder, the children still love to play outside and are encouraged to do so. Please make sure your child has appropriate clothing such as a warm winter coat, hat, scarf and gloves. Also, should the school need to close in the event of severe weather, we will send you a text message and contact the local radio stations. Please listen to Lincs FM or BBC Radio Lincolnshire or visit them online.

School Uniform Donations

A big thank you to all parents and carers who have kindly donated outgrown school uniform. We now have a good stock level and unfortunately don't have room to accept any more donations at the moment. If you want to come and look through the donations just pop into the office.

School Transport

If your child is starting primary or secondary school in September 2024 they may be eligible for school transport. If you think your child is eligible please apply for transport as soon as you have your offer of a school place. Applications can be made online at the website below or a telephone application can be made by contacting the Customer Service Centre on 01522 782020. For more information about the home to school transport policy and online applications please go to www.lincolnshire.gov.uk/school-college-transport.

Clothes Bank

We have a clothes bank that is situated in the school car park. With global warming becoming a huge concern around the world, we need to do everything we can to make a difference. By donating to the clothing bank, 100% of all clothing donated is re-used or recycled, whether that's to be re-worn by someone else, or made into something new.

By donating, not only will this provide much needed fundraising for the charity or community involved, but also prevents clothing from going to landfill and contributing to the climate change problem.
