Children moving to another School

If your family are moving out of the area and your child will be moving to another school, at any time of the year, it is important that you let the school office know your child's intended leaving date as soon as possible.

Once you have received the offer of a school place we need to know the name of their new school so that records can be sent as soon as possible once they join.

We will ask you to complete a Leaver's Form, so that we have a record of where your child is moving to, so that your child does not go missing from education at any point.

We continually have requests for places at our school, which is very positive, but if we know that we will have a place available due to a future house move it helps us let families wanting to join us know in good time.

This information does not apply to our Year 6 children who will all be joining their new secondary school in September.

After School Clubs

After School Clubs start up again next week for Summer Term (apart from T Jazz which is two dates see dates on the app).

Please can we remind parents to pick children up promptly at 4:15pm after each club Thank you.

If your child is in Year 5 or 6 and they can walk home after the school club please contact the school office or email us to give your consent. Without this they will not be allowed to walk home.

Swimming

Swimming lessons have started well, and it is lovely to see our first groups of children return to these vital lessons.

Don't forget swimming donations can be given via the Arbor app.
Thank you

Have you seen our Attendance Policy?

Please read it on our school website by clicking [here](#).

Home learning updates

Starting this week Teachers will be sending parents details about homework for their child's Class every Friday. This will enable parents to be involved in what homework has been made available to their children. A message will be sent to parents via the ARBOR App.

Year 6 SATS REMINDER

Our Year 6 children will be doing their SATS assessment during the week beginning **Monday 12th May**

Please ensure your child is in school each day by avoiding making any medical appointments during that week.

The tests will take place from **Monday to Thursday**. Each morning the children will complete one or more tests under exam type conditions.

To ensure the children are fully prepared and settled each day we are inviting them to come to school each morning from **8.20am (no earlier)** for a **free breakfast club** where they will be served **tea or squash and toast**.

Your child will enter through the main gate entrance and into Eagle Class, where they will be given their breakfast.

School Transport information

If your child is starting primary school or transferring to secondary school in September 2025 they may be eligible for school transport. If you think your child is eligible please apply for transport as soon as you have your offer of a school place.

Early transport applications are encouraged to ensure that transport is in place in time for the start of the September term. Applications can be made online at the website below or a telephone application can be made by contacting the Customer Service Centre on 01522 782020.

For more information about the home to school transport policy and online applications please go to www.lincolnshire.gov.uk/school-college-transport.

Queries can be emailed to schooltransportapplications@lincolnshire.gov.uk.
