Safety around school

Please can we ask parents to remind their children about road safety whilst they are riding their bikes and scooters around the school entrances and roads. Recently there have been near misses where children have been very close to cars/vans on the road outside school whilst waiting for the gates to open.

A reminder that children must not ride bikes or scooters on school grounds, we ask them to 'walk their wheels' until off school-site. This includes after clubs as well as before and after the school day.

At school pick ups and drop offs children and younger siblings must not go on the trim trail as this is only monitored safely in school sessions. Thank you.

Well done to our Athletics Team!

A huge well done to the children from our school who took part in the Athletics competition at Barnes Wallis Academy on Thursday. The children were competing against several other schools and we won the Competition Trophy, you made us all very proud!

Also a big thank you to Mr Hoodless and Mrs Renshaw for all their help with the children at this event.

Sports Day: A Big Thank You

A BIG thank you to all of you who were able to join us for our annual sports morning and picnic on Tuesday. The morning was a wonderful opportunity to come together as a school family and we were so proud of all the children who did their very best at showing their sporting values and competing against each other for points for their House Team. Congratulations to Newton our Team winners.

Every child deserves a big well done!

Thank you to all the staff and volunteers who also helped with giving out stickers and supporting the children.

Our amazing PTA raised **£137.55** on sports day which will go towards school initiatives.
