

Tattershall Primary School

Believe, Achieve, Succeed

Friday 5th September 2025

Dear Families,

Welcome back to another exciting year at Tattershall Primary School! I hope you had a restful and enjoyable summer, filled with memorable moments with your loved ones.

It has been wonderful to see the children settle back into their school routines so smoothly. I have loved every minute of walking the school and seeing how engaged the children are and their behaviour has been exemplary; I am enormously proud of each and every one of them. Their enthusiasm and eagerness to learn have been truly inspiring, and it's clear that they are ready for all the new challenges and opportunities this year will bring. We've already seen great progress in their confidence, diligence and curiosity, and I am excited to watch them continue to grow both academically and personally in the months ahead.

As always, our focus remains on creating a nurturing environment where every child feels valued, supported, and inspired. We are committed to providing a well-rounded education, and this year, we have more exciting events and projects lined up to help all of the children thrive.

In addition, we are dedicated to continuously improving how we communicate with you. We understand how important it is to keep you informed and engaged with your child's learning journey and all school-related matters. With this in mind, we will be reviewing our communication methods throughout this term to ensure that they are clear, timely, and effective. We welcome your feedback and ideas on how we can make this process even better and will be exploring new ways to ensure that we are meeting the needs of all families.

I am incredibly grateful for the ongoing support from our families and community. Working together, we can ensure that this school year is filled with achievement, joy, and success for your children. Please do not hesitate to get in touch with any questions or concerns—your partnership is vital to our shared mission of fostering a positive and enriching learning environment.

Here's to a fantastic year ahead, filled with growth, learning, and plenty of fun! Have a wonderful weekend and we look forward to seeing you all again on Monday.

Warm regards,

Lyndsey Wood

Headteacher
