Attendance Matters

Our target is for children to be in school at least 97% of the time. Our school attendance for the whole year so far 96%

'There is evidence to suggest that regular school attendance is a key mechanism to support children and young people's educational, economic and social outcomes.'

Squirrel (YR)	95.3%	Alpaca Class (Y3/4)	90.9%
Koala Class (Y1)	96.3%	Lion Class (Y4/5)	97.4%
Red Panda Class (Y2)	98.4%	Eagle Class (Y6)	99.5%

Please ensure your child arrives in school in their PE kit on the following days.

Monday	Lion and Alpaca Classes
Tuesday	Koala Class
Wednesday	Lion and Red Panda Classes
Thursday	Squirrel, Alpaca and Eagle Classes
Friday	Eagle Class

Eagle Class Cake Sale

We are excited to share that **Eagle Class will be holding a cake sale next week!** As part of their learning, the children have been set the challenge of turning their cake sale into a profit. They will then use all profits to help create a **Christmas Fayre** (17th December 3pm - save the date) for the whole school to enjoy.

Throughout the year, Eagle Class will take part in a number of challenges designed to help them learn and develop valuable business skills. All money raised through these activities will go towards building funds for their **end-of-year trip**, as well as supporting school initiatives.

Our cake sale will take place during **Thursday 27th November and Friday 28th November break times**. All cakes will be sold for **50p each**, and children may bring **up to £1** into school on those days if they would like to purchase a cake. Thank you for supporting Eagle Class with this exciting challenge.

We look forward to a successful cake sale!
From The Eagle Class Team

Book Fair money raised

We are really pleased to inform you our Book Fair in school raised an amazing **£234.34** towards our school library books! Thank you to all the children and parents who attended last week. Also a very big thank you to Staff who volunteered giving their time to help with the Book Fair. We really do appreciate it.

Household Fund Grant

A final one-off payment of £80 supermarket voucher per eligible Free School Meal pupil is expected from the Household Support Fund.

Vouchers will be provided by the 28th November so that families can plan ahead for the Christmas period.

An email will be sent next week with a link to obtain the voucher.

Reception 2026 school places: Applications are now open

You can now apply for Reception 2026 using the online application system, which can be found via the following website: www.lincolnshire.gov.uk/schooladmissions. Click on 'Apply for a school place' and follow the links in order to apply.

If you require support with your online application or want to make a telephone application please call the Education Team on 01522 782030.

Useful Health Advice-Winter Bugs & Viruses

Teaching good hygiene habits

Parents are urged to encourage good hygiene habits in their families, such as handwashing and using a tissue to catch coughs and sneezes. Regularly washing your hands with soap and warm water for 20 seconds or using hand sanitiser when convenient, is one of the most effective ways to stop the spread of germs.

Knowing when to keep your child at home and when to send them to school

Children are encouraged to stay in school or nursery with symptoms such as a runny nose, sore throat or slight cough (if otherwise well and do not have a high temperature), but should stay home if they're displaying symptoms such as having a fever (they should stay home until the fever has passed and they are well enough to attend) or diarrhoea and vomiting (**children should stay home for at least 48 hours after these symptoms clear up**).

Stopping the spread of stomach bugs

Stomach bugs spread easily in schools and nurseries. If you or your child have diarrhoea and vomiting, washing your hands with soap and warm water and using bleach-based products to clean surfaces will help stop infections from spreading.

Don't prepare food for others if you have such symptoms or for 48 hours after symptoms stop. If you are unwell, you should also avoid visiting people in hospitals and care homes to avoid passing on the infection to those more vulnerable. It's important that all children are given the opportunity to start the year in good health, which is why it's important not to return to school, nursery or work until 48 hours after symptoms have stopped.

Getting vaccinated

Infections such as flu, which see a seasonal increase in winter, are easily protected against with vaccination. All primary school age children, those aged 2 years (who have turned 2 years old before the 1 September 2024) and all 3 year olds (and secondary school children from Year 7 to Year 11) are eligible for the flu vaccine, which beyond protecting the children themselves and the school community, will also protect elderly relatives.

It's also important to ensure your children are up-to-date with their routine vaccinations, which protect against diseases such as measles, mumps, rubella, diphtheria and polio.

If parents are unsure of their child's vaccination status, they can check their child's red book or contact their local GP.

NHS UK also provides easily accessible guidance for parents to [help manage winter illness at home](#).
