Important please read: Mobile Phones in School

We discourage all children from bringing mobile phones into school unless they are absolutely essential.

Children who bring mobile phones into school need to bring them to the school office first thing in the morning where they will be locked away until the end of the school day. Mobile phones are prohibited for any use in the classrooms or outdoor areas. Any mobile phones found in children's bags or pockets that have not been handed in will be brought to the school office and locked away safely.

We do encourage parents to keep children's mobile phones at home if possible. Thank you for support in this important matter.

The Book Fair

We are pleased to announce we will have the Book Fair visiting school again this year.

It is an opportunity to buy books as gifts or for bedtime reading often at a discount price.

The Fair will start on
Tuesday 11th November
and run until **Friday 14th November.**

During that week each class will have the opportunity to visit the fair and browse the books beforehand.

The Book Fair will take place each day after school until 4pm.

Further details will follow.
