Children moving to another School

If your family are moving out of the area and your child will be moving to another school, at any time of the year, it is important that you let the school office know your child's intended leaving date as soon as possible. Once you have received the offer of a school place we need to know the name of their new school so that records can be sent as soon as possible once they join. We will ask you to complete a Leaver's Form, so that we have a record of where your child is moving to, so that your child does not go missing from education at any point.

This information does not apply to our Year 6 children who will all be joining their new secondary school in September.

After School Clubs

After-School Clubs restart next week
Please can we remind parents to pick children up promptly at 4.15pm after each club from our main school office entrance.

If your child is in Year 5 or 6 and has permission to walk home after the Club you must let us know via Arbor or email. Children will not be allowed to walk home without permission. Thank you

Have you seen our Attendance Policy?

Please read it on our school website by clicking [here](#).

Our Showcase Events

As part of our commitment to fostering a strong partnership between home and school, we would like to invite you to come and witness your child's progress and achievements during their learning journey.

The next **Book Look** event is the Spring term (dates below). These events will gift you the opportunity to gain insight into the curriculum covered, the skills developed, and the progress made by your child. Alongside this, in the final Summer Term, we will also be hosting an end-of-year **class assembly**.

The assembly will provide an opportunity for children to demonstrate their learning, talents, and growth whilst basking in the pride of showcasing their hard work and dedication.

We kindly request that you mark your calendars for the designated dates of the Showcase Events. We understand that schedules can be tight, but your involvement in these events will profoundly impact and enhance your child's educational journey.
